

## Volunteers

\_\_Garden \_\_Event

At Tizer Gardens we are always looking for good volunteers to help with events and keep our gardens ready for visitors that come from all over the world.

**Garden Volunteers:** We prefer our Garden volunteers have gardening experience. Master Gardeners are always welcome to fulfill their volunteer hours, but it is not mandatory for you to have horticulture experience.

Garden volunteers are required to bring their own personal tools such as gloves, hand tools and kneeling pads. We also recommend you bring snacks, water and lunch, unless it is a major "Volunteer" scheduled day – which we would then supply you with a light lunch. We are happy to supply larger tools and buckets for your use.

Our garden hours are 10:00 am to 5:00 pm daily. However, volunteers are not expected to work the full 8 hours. We would appreciate it if you could volunteer in a 4 hour shift. We like to assign volunteers to take charge of a specific garden, so they become familiar with the plant material and can assist in the design and maintenance of that particular garden. This would require a commitment to be in the gardens for specific hours on a regular basis. Garden volunteers are always supervised by a Tizer Staff person.

**Event Volunteers:** We are always looking for good volunteers to help make our events a legendary experience for everyone.

Our events generally run from 10am to 4pm. We ask that volunteers arrive an hour prior to the event start time and stay for an hour after the event to assist with the clean up. If you are not able to work the whole day we will be delighted to help accommodate your available hours.

We will supply you with a bright colored t-shirt which will indicate that you are a valued Tizer volunteer as follows: Garden volunteers after volunteering for a minimum of 10 hours. Event volunteers after volunteering for a minimum of 4 hours on event day.
